# Eletek Technology Limited 裕德科技有限公司

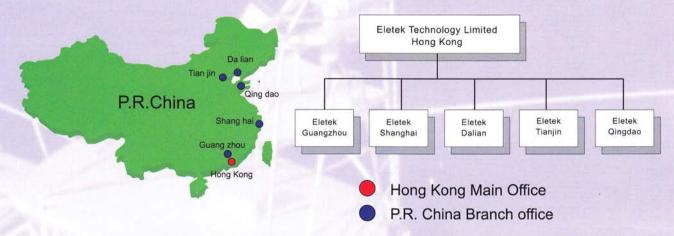

The premier marine electronics engineering in
Hong Kong-Guangzhou-Shanghai-Tianjin-Dalian-Qingdao
香港-广州-上海-天津-大连-青岛

# Company Profile 公司简介

Founded in 2000, Eletek Technology Limited has rapidly established itself as the one of a leading Marine Electronics service providers in Hong Kong and P.R.China. Eletek is the only company presently offering Sales and Service encompassing shipping industry, from the recreational boat, fishing boat to the deep draft vessel including the inland waterways.

Eletek is privately held company headquartered in Hong Kong, has branch offices in Guangzhou, Shanghai, Qingdao, Tianjin and Dalian, which are situated along the China coast to enhancement our service cover to the major shipping cities.

Eletek management team's unsurpassed experience, set the company apart in the rapidly changing shipping industry, our team of managers, engineers and technical experts are has the know-how to provide best solution in system integration to meet customer requirement. Our strong professional sales force is experienced in dealing with ship's owners, shipping companies, shipbuilders and shipbuilding designers to marketing our full range of products. Our well-trained and skillful engineering team is experienced in handling system design, equipment maintenance, installation and commissioning for Radio Communication, havigational Aid, Intercommunication, Entertainment, Common Aerial System, Integration Bridge System, Generator Controls, Alarm Annunciator, Engine Automation, Computer Hardware, Software and networking.

裕德科技有限公司是一所海事电子专门服务商,提供专业服务及销售提供专业服务及销售各类海事电子产品,技术咨询,系统设计,安装调试,维修保养。产品包括:卫星通讯系统,无线电通讯系统,辅助导航系统,船内通讯系统,发电机组控制、保护及警报系统,自动机舱监控系统,综合桥楼系统,娱乐、公共天线及广播设备,计算机软硬件及网络。

水面物体自动追踪系统,以法国ASV公司的软件为核心,综合了

高灵敏热成像技术、先进的影像分析算法、高精度伺服稳定系统,能满足海上恶劣环境的船载监控防御平台。

海盗袭击,海上非法毒品交易,非法走私物品,非法偷渡入境,恐怖分子,船体碰撞和搁浅等问题日益严重。水面物体自动追踪系统有效补充船上现有设备的不足,综合常用海事产品,形成一个系统。方便管理,性能可靠,有效的补充了常规设备不能监测的盲点,系统自动报警,并对报警做出反应和防御。使我们在海上的航行更安全更便捷。减少了人力的投入,但加强了海事监控,搜救人员,解救海难,自我防御等方面的能力。保证了我们的航海安全。

## Sales 稍信

Eletek provide one-stop marine technology solution, company represent most of the major brands as distribution agency. Our products are suitable to use in:

**New Building** 

Ship's Retrofit

Fishing Boat

River Boat

Yacht Boat

We assure that our scope of supply is unique among the others so as to impress the customer.

深信我们的产品均能满足各别的需求,令客户留下深刻的印象。

# Services 服务

Eletek's service team are based in Hong Kong and P.R.China, specialize in the technical consultation, design and implementation of system, installation and service of all marine electronic equipment. Our well trained and skillful engineering team is distributed in Hong Kong, Guangzhou, Shanghai, Qingdao and Dalian to cover area stretching over the whole P.R.China coast area, however, our engineering do travel everywhere to carry out specific projects.

Our service team had been certified as expertise to act on behalf of ABS, DNV, GL, Lloyd's, and NKK for conducting survey of radio installation and VDR, other classification societies are under progress.

We have established worldwide service network to provide best service and after sales service to the domestic shipping companies. We are providing hassle-free service with reasonable cost to our customers.

裕德科技有限公司提供全面式船舶电子服务,技术咨询,系统设计,安装调试,维修保养。经过训练及丰富经验的专业工程队伍,分别香港,广州,上海,大连,天津及青岛,覆盖中国各地重要的大港口,全面为中国及海外客户提供服务。而工程队员也需经常来往海外进行一些特别任务。

裕德科技专业工程队伍,已经得到ABS, GL, Lloyd's, NKK, BV的认证,对其船级社的船舶无线电台进行检验。而其它船级社正在认证中。

为了供给客户全面的服务,建立全球服务网络提供方便经济的服务,我们保证每个可以使用后均能满意,令客户以合理的成本得到最大的回报。
